### Questions to Extend and Deepen Understanding

While the children are completing the challenge, you may like to ask them the following questions:

- How many apples do you have?
- How many will you have if you draw one more?
- If you cross out one apple, would you have more or fewer?
- If you had one less apple, how many would you have?

### Challenge Set-Up Instructions

1. Print and display the three differentiated Chilli Challenges, or the appropriate challenge card for your children.
2. Print and laminate the Apple Cards and make the dice.
3. Provide children with a whiteboard pen.
4. When working with the children, you may wish to use the suggested questions to extend and deepen their understanding of counting.
