L1: To write a diary entry

This week you have been learning about the features of diary entries and have read some of the entries from Anne Frank's diary. You have also planned and prepared your own diary entry. Today is your chance to put together everything you know and write your own diary entry.

Imagine you are in a similar situation to that of Anne Frank and have had to go into hiding. Write a diary entry to express what you are doing/thinking/feeling on the first day of hiding. You might want to include where you are hiding, what you are doing to pass the time, who is in hiding with you. Include as much detail as you possibly can. Use your plans to help you and the work that you completed yesterday on adjectives to describe feelings.

Remember to include the features that you investigated at the start of the week.
